

Reading and prayer 12th December 2020

God said, “Let there be lights in the dome of the sky to separate the day from the night; and let them be for signs and for seasons and for days and years, and let them be lights in the dome of the sky to give light upon the earth.” And it was so. God made the two great lights—the greater light to rule the day and the lesser light to rule the night—and the stars. God set them in the dome of the sky to give light upon the earth, to rule over the day and over the night, and to separate the light from the darkness. And God saw that it was good. Genesis 1:14-18

Creator God, how magnificent is your handiwork. You threw the stars into space and kept them here, you alone cause all things to be made and have their being. We thank you that you have deigned us to be part of your creation, part of your everlasting and eternal plan. Direct us in the path each of us must follow, show us the way to live which is acceptable in your eyes and may gratitude ever sing in our hearts for the privilege of being your children. Amen
