

Safe Environment Policy

Workplace Health and Safety is the responsibility of all Grow Support Services stakeholders including staff members, contractors, participants and their support networks.

Grow Support Services is committed to meeting all relevant legislation and statutory requirements, codes of practice and Australian Standards.

Grow Support Services Directors have a duty of care and will take all reasonable steps to safeguard participants, staff and stakeholders from hazards and risks including communicable disease, and natural disasters.

Health and safety awareness, emergency preparedness and the development of hygienic and safe work practices are promoted.

Information, training, instruction and adequate protective equipment are provided.

Grow Support Services staff are not expected to carry out work that is unsafe, and clients are not expected to tolerate unsafe work practices or service environments.

Staff are consulted and cooperated with on health and safety matters and on ways to reduce workplace hazards and improve quality control systems.

Effective incident and hazard reporting systems are maintained.
