Bright Starr Pediatric Dentistry

ABOUT US

We provide state-of-the-art dentistry for children, infants, and patients with special needs at our pediatric dental practice. Obtaining a specialist in pediatric dentistry is important so that kids learn at a young age that going to the dentist can be a fun and rewarding experience! We always allow parents to be present for dental procedures, and for your child we provide a fun atmosphere. We want our office to feel like home for your family, so visiting us will always be a breeze! Dr. Ebonee Thrower and team are highly trained in children's dentistry and will ensure the best in oral care and continuous advice in preventative medicine, so your child will have an early start to a lifelong happy and healthy smile.
