OUR PROMISE

- South Africa currently faces an unprecedented time. The nation, in unison, suffers under extreme conditions which demand from every citizen the cooperation and initiative required for the greater good of the South African community. The Covid-19 global pandemic has thrust our country into a current state of lockdown which has crippled not only the economy and society but has had and continues to have great impacts on the education sector. The effects on the education and development in our country can be mitigated only by thorough planning, dedication and diligence of all stakeholders including Learners, Trainers , Companies, and Academic leadership.
- In response to the Covid-19 pandemic and the subsequent nationwide lockdown, The All Risk Group has comprised a Framework for Curriculum Recovery Post Covid-19.
- All Risk Management has maintained adherence to this framework and protocols set out by All Risk Group and the government to strive in protecting the health and wellbeing of every Learner and Trainer in all their Campuses.
