How this list is prepared?

This is an alphabetical list of the 1,000 words which are found to occur most frequently in most common publications.

The publications used are as follows - about 625,000 words from literature for children;

about 30,00,000 words from the English classics;

about 3,00,000~words from elementary-school text books;

about 50,000 words from books about cooking, sewing, farming, the business, and the like;

about 90,000 words from the daily newspapers;

and about 5,00,000 words from correspondence.

Forty-one different sources were used to compile this list.

We sincerely hope you find this list useful.
