

Christ the Carpenter United Methodist Church
1100 South Winnebago Street
Rockford, IL 61102
Montel Putney, Pastor

February 2, 2017

To Whom It May Concern:

This letter of recommendation is written on behalf of the Customer Construction Systems Company.

In 2015 the Customer Construction Systems Company completed a roofing job for Christ the Carpenter United Methodist Church located in southwest Rockford. Their work exceeded all of our expectations. The roofers were very professional and competent while completing the job in a timely manner.

We would highly recommend Customer Construction Systems for future jobs.

Sincerely,

Montel Putney
