

Blacks Whiskey

BLACKS WHISKEYS ARE CRAFTED BY BLACKS DISTILLERY, AN INDEPENDENT AND INNOVATIVE DISTILLERY LOCATED IN KINSALE, IRELAND. BLACKS HAS QUICKLY GAINED A REPUTATION FOR PRODUCING HIGH-QUALITY IRISH WHISKEY THAT IS LOVED BY WHISKEY ENTHUSIASTS ALL OVER THE WORLD.

Blacks Brewery and Distillery is a family-run business founded by the dynamic duo of Sam and Maudeline Black in 2013. In 2015, they expanded and added a state-of-the-art distillery, where they produce a range of boutique spirits, including Gin, Rum, and Whiskey.

Their mission is to break away from the monotony of the mass market by crafting whiskey with passion and personality. It was during this expansion that the incredible Blacks Whiskeys were born.
