

Dental Savings Program

Have you put off having necessary or elective dental treatment because you could not afford it? Poor dental health can affect your confidence, self-esteem, and even your quality of life! Our innovative new Dental Savings Program will make dental care more affordable for you and your family. This program was created for patients without dental insurance. It is a discount plan that saves patients 20% off treatment fees for most services, including elective and cosmetic services, while providing most preventive services at no additional cost!

Dental Savings Program Benefits:

- Two routine exams and healthy cleanings per year
- Bitewing (cavity detecting) X-rays once per year
- Oral Cancer Screening once per year
- Two fluoride treatments in conjunction with healthy cleanings for children under 14 years of age
- 20% discount on all other services provided in this office
- No yearly maximum limits
- No deductibles
- No waiting periods
- No pre-existing condition clauses or pre-authorization requirements
- After initial sign-up, no additional paperwork or forms required

While this program is very simple, there are a few exclusions. This is a program unique to this office. It cannot be used:

- For any treatment outside this office (i.e. referrals to specialists)
- For services covered under workman's comp
- In conjunction with any insurance plan

Dental Savings Program Guidelines:

- All annual program fees must be paid in advance
- Program is active for one (1) year from the effective date
- Payment for your portion of any treatment is due on the date of service
- Visa, MasterCard, Discover, American Express and Care Credit are accepted
- 5% additional discount for cash payments
- This cannot be used in conjunction with any other dental plans
