Cancellation/Missed Appointment Policy

We recognize there are times when an appointment is scheduled that you, the patient, has to cancel or postpone.

Our policy requires you to give a **24** business hour notice for any re-scheduled or cancelled appointments.

If less than a **24** business hour notice is given there will be a \$50 late cancellation fee added to your account. Any appointments missed with no notice will have a \$101 missed appointment fee added to your account.

We understand that occasionally a circumstance may arise which can cause missed appointments, but it does leave a void in our schedule that may have been used by another patient. We do not like to do this, however, in order to keep your patient fees lower we need to ensure all patients keep their scheduled appointments.

By signing below you have acknowledged and understand this policy.
