Betty Houston, M.B.A.
Speaker

Betty Houston is a Practice Management Consultant who has worked in the dental industry for more than 25 years, applying her education in Accounting and Finance to enhance the profitability of dental practices.

Betty is known for transforming struggling practices of all types into thriving profit centers, converting manual dental practices into computerized offices, training staff in the implementation of efficient systems. Betty was a guest lecturer at USC School of Dentistry for more than 20 years and taught Practice Management for 15 years.
