

Safety Measures in our Dental Practice

5 Measures Taken Upon Patient Entry to the Clinic

- ❖ If an examination room is not readily available, ensure social distancing in the waiting room by placing seating a minimum of 6 feet apart.
- ❖ Hand Sanitizer
- ❖ If Patient doesn't come with a mask, the receptionist will provide one to the patient.
- ❖ Ask questions regarding covid-19 and over all health.
- ❖ If co-pay was not collected prior appointment, co-pay will be collected at the time of arrival before entering the treatment room.
- ❖ Treatment plan will be confirmed and patient signatures are required.
