

HONORING

THE BRAVE WOMEN WHO SERVED.

TRAINING

OUR VETERANS FOR A BRIGHTER FUTURE.

SUPPORTING

OUR HEROES IN NEED.

The Monument to Women Veterans, Inc. is a 501c3 charitable non-profit corporation established in 2011 that has been leading the charge in recognizing and empowering our military women through a variety of community outreach and awareness efforts.

Be a part of this historic opportunity to build a monument and museum to women veterans. Your support and involvement will honor those that served our country as well as establish a world-class national training center for veterans.

In partnership with The Center for Strategic Military Excellence (CSME), Monument to Women Veterans will provide a state-of-the-art career training center for veterans. This training center will provide veterans with resources, vocational rehabilitation, job placement, and expertise in the construction industry.

Monument to Women Veterans is a 501c3 Charitable Non-Profit Corporation.

INTRODUCING
Monument to Women Veterans and
Center for Strategic Military Excellence

OUR MISSION IS TO PURSUE THE DEVELOPMENT OF A MONUMENT TO HONOR ALL WOMEN, PAST, PRESENT, AND FUTURE WHO SERVED IN THE US MILITARY AND PROVIDE OFTEN UNMET CRITICAL RESOURCES FOR FEMALE VETERAN CARE.

THE MUSEUM

The City of Pensacola, FL has agreed to a lease of an existing run-down Amtrak train station to establish a museum and national training center. The Monument to Women Veterans will restore and remodel the existing facility and maintain the building and grounds throughout the term of the lease.

THE NATIONAL TRAINING CENTER

TRAINING IN CONSTRUCTION

Offering classes, training, and on-the-job knowledge of construction

VOCATIONAL REHABILITATION

For veterans with physical disabilities or those who have PTSD or other trauma

EMPLOYMENT ASSISTANCE

Assistance securing construction positions throughout the country

THERE ARE OVER 250,000
OPEN POSITIONS IN
THE CONSTRUCTION INDUSTRY...
CREATING AN AMAZING
OPPORTUNITY FOR VETERANS.

THE MONUMENT

The history of women in the armed forces will be seen both literally and figuratively at the monument and our accompanying Women Veterans Museum.

World-renowned sculptor Elizabeth MacQueen has been selected to create this magnificent masterpiece that will reach over 30 ft into the air with flames and a laser beam over a stainless-steel elliptical band of flowing water.

The monument will be surrounded by figures of women from each branch of service in uniforms depicting their roles in various capacities as they have risen to the challenge, despite adversity, to serve their country.
