

CORPORATE SPONSORSHIP

BE YOU,
beautifully.

Sunday, April 30th

Highlands Ranch Mansion

Be You Beautifully is a women's empowerment event that covers beauty tips and tricks, mental health, body positivity, fashion, leadership, and more. Our goal is to help women live their life to the fullest and show up everyday with confidence. This year a portion of the event's proceeds will support **Walk With Me**, a non-profit supporting families experiencing still birth and **Journey Authentically**, a non-profit that provides help to grieving men and families. We would love your sponsorship as we support women across the state and two amazing charities!
